Subject: Information Request – PMSI Contract

During the City Council Work Session of Thursday, December 4, 2014, a request for information was generated from Mayor Pro-Tempore Cole-McFadden in regards to item #11 on the agenda – “Contract for Utility Bill Printing and Mail Services”. The question was relative to whether the proposed contractor paid workers a minimum of the livable wage.

The department has confirmed that the contractor, Professional Mail Services, Inc. pays all of the workers who will be performing work on the City of Durham contract pay rates which exceed the current livable wage of \$12.17 per hour.
